SMALL BUSINESS PROVISIONS

1. Unless otherwise stated in the cover letter hereof:

This procurement is not set aside for labor surplus area concerns. However, the offeror's status as such a concern may affect entitlement to award in the case of tie offers, or in the evaluation of offers in accordance with the "Buy American" clause of this solicitation. In order to have his entitlement to a preference determined on the occurrence of those events, the offeror must identify below the areas in which the costs that he will incur on account of manufacturing or production (by himself or his first-rrier subcontractors) ~~may~~ amount to more than 50 percent of the contract price:

---

---

---

---

Failure to list the proposed areas or performance as specified above will preclude consideration of such offeror as a labor surplus area concern.

The offeror agrees that if, as a labor surplus area concern, he is awarded a contract for which he would not have qualified in the absence of such a classification, he will perform or cause to be performed the contract in accordance with the circumstances justifying the preference.
